

## Recipe: Gingerbread House

### Ingredients:

300g rye flour

180g (refined) sugar

100g honey

2 eggs

1 teaspoon of baking soda

3 teaspoons of gingerbread spices

a little cinnamon

### Preparation:

Mix all the ingredients to a smooth dough and then let it rest in the fridge for 2-3 days.

Take a rolling pin and make flat rectangles out of the dough – you need 4 rectangles for the house and 2 for the roof.

Bake them in the oven for about 15-20 minutes, then let them cool down till they get solid.

Mix some sugar and lemon and, with it, glue together the rectangles into the shape of a house

Spread the rectangles with the cream – windows, door and roof .....
